### Practical Tips

- Payment: Credit and debit cards are widely accepted; cash is rarely needed.
- Electricity: 230V, European standard plugs (Type C/F).
- Tipping: Not expected in Finland; service is included in prices.
- Tap water: Safe to drink everywhere.
- Shops and restaurants: Most shops close around 18–19; supermarkets and restaurants around 21-22
- Late April can be cool, especially in the evenings. Warm layers and comfortable walking shoes are recommended.
- The snow has melted faster than usual this year, the streets are already free of snow
- In April we have 16 hours of daylight: Sunrise around 05:30, Sunset around 21:00
- The Northern light season is unfortunately slowly coming to an end. It's usually possible to spot them from mid-August to mid-April
